To Whom it May Concern:

Mr and Mrs Llewellyn Skermandt has been working in a personal capacity at our home, in Kuils River, since October 2014.

They have proven themselves to be hardworking and professional at performing their duties to make our house feel like a home. They possess a very good understanding of the standards of cleanliness I require and are always willing to do extra work where they see the need exists.

Their greatest qualities are honesty, kindness and their amazing patience. I really value their sense of responsibility in always communicating their plans and visions with me and translating it in the work they deliver. I would recommend them for any job pertaining to their field of work.

Kind regards.

Licinda Stevens (Associate T/A Ace Dental; Practice number 0476145)
